Yes, that's right. We've saved the best until last. You can order 2,000 postcards for just £150, including design and print.

How do we keep costs so low? Collective purchasing. We believe in pooling resources - the more people who buy, the more cost effective it becomes.

However, you must place your order before **20 November**. Ordering your postcards is easy. Simply call the nornir team on 0161 228 2783.

nornir's postcard offers will continue in the New Year. Visit [www.nornir.co.uk/xxxx](http://www.nornir.co.uk/xxxx) for more details.

We look forward to working with you and hope you find the enclosed brochure of interest.

Yours sincerely
