### **Features of Corporate Membership**

- ✚ Up to 5 days of senior management time from Social Firms UK to assist you with one or more of the following:
  - Helping you to identify opportunities for Social Firm products and services within your supply chain;
  - Matching the business skills and expertise of your staff that wish to volunteer time into the Social Firm sector to the Social Firm businesses that would benefit from it; and
  - Identifying with you opportunities for your own company to start a Social Firm business.
- ✚ Access to other forward-thinking initiatives in the broader social enterprise sector.
- ✚ Connecting with people and organisations that aspire to improve the world we live in.
- ✚ Delivery of an in-house awareness training session for your staff about Social Firms and other types of social enterprise.
- ✚ The Corporate Membership logo to put on your materials, website etc. as a demonstration of your company's commitment.

### **Benefits of Corporate Membership**

- ✚ Your company will be seen as being at the forefront of change to the broader benefit of society and the economy, proving that there is a better way to do business;
- ✚ Your money will go further with your new Social Firm suppliers. Because Social Firms reinvest all their profits to enable them to create more paid employment for people otherwise excluded from the labour market you will be helping them economically to achieve this goal just by purchasing from them – for everyone's good!
- ✚ Your staff will feel valued as their skills and expertise are being matched to social businesses that need them, for the long term good of society, the economy and your business;
- ✚ Your company will get an injection of a new, unique and very tangible form of corporate social responsibility that will excite and motivate all of those involved;
- ✚ You will be able to demonstrate with the Corporate Membership logo that your company is committed to the long term improvement and sustainability of our society and the economy.
