**Features of Network Membership**

- Access to forward-thinking initiatives in the broader social enterprise sector.
- Connecting with people and organisations that aspire to improve the world we live in.
- Delivery of an in-house awareness training session for your staff about Social Firms and other types of social enterprise.

**Benefits of Network Membership**

- Your staff will learn about a different way of doing business that benefits society and the economy.
- Your company has the chance to take a low risk measure with Network Membership to find out more about something that could alter the future of CSR in your business.
- You will learn more about social enterprise; it's a good way of testing the water before venturing into Corporate Membership and the added benefits that go with that.
- You will get 10% discount on the Corporate Membership rate if you become a Network Member first.
